

----- **Nail Strip Standing Seam** -----

Standing Seam is one of the most successful and versatile profiles in the industry. With an easy to install nail strip, there are no clips or mechanical seamers necessary for installation. Standing seam can be installed with a completely hidden fastener system or with exposed fasteners on the trims. Available in 8 different colors in our 26 gauge (grade 50) material, it's the perfect choice for any roof project.

----- **General Information** -----
